Chairman's Report

Welcome to the 2023 Pakenham National Photographic Exhibition.

To be back on display at the Cardinia Cultural Centre is amazing. This year the Exhibition is on display to the public for over four weeks, with the prints all framed and hung in the fabulous Gallery. The Projected Images are on display in the space just outside the Gallery using a double projection system. It is so much fun to run an Exhibition with prints.

This year we received 983 entries from 69 entrants from all over Australia. To the entrants, without your hard photographic work, national exhibitions just wouldn't exist. Thank you for your entries, your prints and your support of the Exhibition this year. As always, the imagery and story telling within your work makes for not only a terrific display of photographs, but it is truly inspirational and we are very honoured to be able to showcase your hard work to the world, in both the Gallery and once again online.

I would like to sincerely thank our panel of judges for their combined photographic expertise, knowledge and insight to select the accepted images of the 2023 exhibition.

Thank you to the councillors and staff of the Cardinia Shire for their continued support and encouragement of this Exhibition and other community events. To the team at the Cardinia Cultural Centre, a big thank you for your assistance in the setup and running of our displays each day.

Thank you to our sponsors. Your financial support and encouragement within our local community is greatly appreciated and without your commitment we simply would not be able to stage this exhibition in the manner we have to date. We look forward to extending this friendship and collaborating with you in future nationals.

Congratulations to our winners and to all those who received an acceptance into this exhibition.

Keep inspired, keep creating and thank you for being part of our 2023 journey.

Keep Photographing!
